

Private Well & Cistern Free Testing

Manitoba government is providing additional support to private well & cistern owners by fully subsidizing costs associated with water supply testing.

Free water testing for private well & cistern owners will be available at Horizons Lab Ltd. Costs will be waived for private well & cistern owners for drinking water tested between April 1st & Aug 31st. Those who previously paid for their water tests at Horizon Lab in Winnipeg are eligible for reimbursement. In order to be eligible for this subsidy, samples must be sent to: Horizon Lab Ltd
4055 Portage Ave, WPG MB R3K 2E8.

For information on reimbursement of prior testing, as well as sample collection, shipping and test results, contact the lab directly at 204-488-2035

Important Facility Update

Cartwright-Roblin Municipality Council recently received an assessment report concerning the structural integrity of the Cartwright-Mather Merry Makers/ Drop-In Centre.

After reviewing the report with the facility Board, Council has passed a resolution to close the facility to the public on August 1st and arrange for demolition effective September 1st of 2022.

Council appreciates your understanding of the situation and notes that copies of the report and resolution are available to the public at the municipal office and on the municipal website www.cartwrightroblin.com
